Let the Elf Cup Begin

From 18-Nov-2006 to 25-Nov-2006, Northern Cyprus [actual name the Turkish Republic of Northern Cyprus] will be home to the 2006 Elf Cup.

The Elf Cup [like the Viva Cup] is an alternative world cup for those countries who cannot compete in FIFA because of lack of funds or because these countries are not recognized as independent.

The Countries that will be participating will be the host country North Cyprus as well as the Crimea, Zanzibar, Tibet, Afghanistan, Tajikistan, Greenland, and Kyrgyzstan.

It is expected that eventually this will be promoted as another alternative to the World Cup.
