

Welcome message from the President:

Dear friends of the N.F.-Board,

We have been waiting a long time for the new version of our Internet site! Here is the result.

A long deliberation by the members of the Executive Committee followed by the great amount of work performed by our friends Oswaldo Ugarte Vera (based in Mexico City), Johnny Beaufays, Guillaume Vinrich and Georges H. Wuethrich was instrumental in improving the site so that it better meets our needs.

We have carried out these improvements not only for our pleasure, but also for that of the mass media who support our step, as well as for that of our partners and sponsors who will help us in the future work of our organisation.

We hope that this site allows all those who share our vision of « New Football » to exchange their ideas and to collectively engage in their favourite sport.

The N.F.-Board sets out to be an institution which is apolitical and "open" to all. For its members, whatever their political or religious affiliation, football must be an instrument of union, distribution and transmission of dreams to the peoples, nations and populations of isolated territories.

Thanks again to Oswaldo, Johnny, Guillaume, Georges, but also to Juan (Spain, designer), Mark (Scotland, World Ranking) and Marcelo (Brazil, Statistics) who complete the committed team of enthusiasts in charge of the site.

Welcome to our home, welcome to your home, in the other House of Football!

Christian Michelis
President of N.F.-Board
